

## **Information Security Statement**

### **Privacy & Security**

At Compass Credit Union, protecting your personal information is a top priority. Our website uses industry-standard encryption to secure the transmission of data you submit through forms or online banking.

### **Cookies**

Our site may use browser cookies to enhance functionality, such as remembering preferences or enabling secure logins. These cookies do not store personal or financial information. While you may disable cookies in your browser, certain features of our site may not function properly without them.

### **Data Protection**

We regularly monitor and update our systems to safeguard against unauthorized access. Information you provide is used only for legitimate business purposes and is never sold.
